ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on February 5, 2015, to examine the application of the Fuel Adjustment Clause (“FAC”) of Licking Valley Rural Electric Cooperative Corporation (“Licking Valley”) for the two-year period from November 1, 2012, through October 31, 2014.

As part of this review, the Commission ordered Licking Valley to submit certain information and an affidavit attesting to its adherence to 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case and indicated that if no interested party notified the Commission of its intent to attend by April 3, 2015, the hearing would be cancelled and the matter would be considered submitted for decision based on the evidence in the record. No individual or entity advised the Commission of an intent to attend the hearing by April 3, 2015. Therefore, the public hearing was cancelled, and the matter is considered submitted for decision based on the evidence in the record.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. During the period under review, Licking Valley has complied in all material respects with the provisions of 807 KAR 5:056.

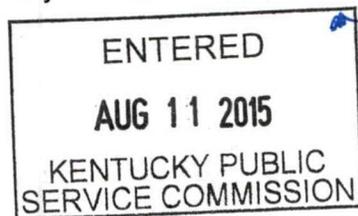

2. As East Kentucky Power Cooperative, Inc., the wholesale supplier of Licking Valley, has been authorized to maintain its base fuel rate at its current level,<sup>1</sup> Licking Valley's proposal to maintain its rates at their current level should be approved.

IT IS THEREFORE ORDERED that:

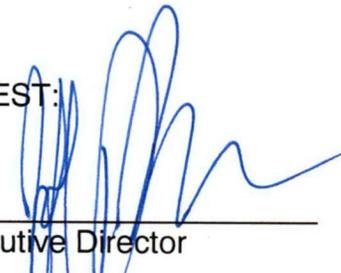

1. The charges and credits applied by Licking Valley through the FAC for the period from November 1, 2012, through October 31, 2014, are approved.

2. Licking Valley's proposal to maintain its rates at their current level is approved.

By the Commission
